Dear Aaron:

Thank you very much for sharing your story with me. I'm glad to hear that your father is doing so well!

I commend you for raising awareness on this important issue, and for taking the initiative to advance the methods of treatment for people with heart disease. You're doing great work -- keep it up!

As I continue to do what I can to help strengthen our nation and improve our world, I am grateful for the support of citizens like you.

Sincerely,

Bill Clinton
